VEHICLE MODIFICATIONS & DRIVING AIDS

# Motorcycle Modifications

Systems to suit any situations.  
Electronic gear shift systems, thumb  
and hand rear brake conversions and  
electronic stands.

All designed to get you back on the  
bike and back on the road.

They can be fitted to most motorised  
vehicles like motorcycles, trikes,  
quad bikes,  
tractors and  
more.

Rear hand brake
